“Where on earth is Heaven?

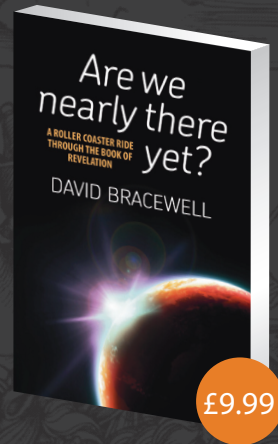

I want to invite you to travel with me to heaven (and back!) as together we study the beautiful, mysterious and utterly relevant Book of Revelation.”

DAVID BRACEWELL

In this new book David Bracewell takes us on a roller coaster ride through Revelation. It has been said that 90% of Christians can't get into it and the other 10% can't get out of it. David is passionate to encourage both groups to lay aside their fears and fixations and to take a fresh look at this beautiful, mysterious and utterly relevant book.

The book is in two parts. Part one takes us through the whole of Revelation, showing how John weaves his vision of the battle between God and Satan, the final victory of the Lamb, and the creation of a new heaven and earth, into a rich and coherent tapestry. Part two focuses on six topics which were of vital importance to John's churches in Asia Minor, and draws out their significance for the life of the Church today: worship, witness, holiness, judgement, community and heaven.

David Bracewell has been an ordained minister in the Anglican Church for almost fifty years and is Canon Emeritus of Guildford Cathedral. Eight years ago he retired, after a ministry of twenty four years at St. Saviour's Guildford and set up Zoe Ministry. He continues to preach and teach locally and further afield and is passionate about encouraging church leaders. David is married to Sue and they have three children and five grandchildren.
